

Coordinated Comprehensive Plan Committee

Completes Photographing Assignment

Tuesday, August 7, 2001. At the regular bi-monthly meeting of the City and Town of Brillion Coordinated Plan Committee, members shared photos they took from around Brillion and beyond. These photos were taken as part of the Photo Vision Assignment (*For More information See the Current Activities Link*) to illustrate the vision statements the committee drafted earlier this year.

PHOTOS, PHOTOS, PHOTOS...

The committee brought more than 60 photos to the meeting. Those members who did not have the opportunity to take photographs provided their opinions about areas they felt were important and should be photographed.

The photographs included:

- ✓ Area farms
- ✓ Brillion Marsh
- ✓ Starter homes in Forest Junction
- ✓ New Brillion High School
- ✓ Nature trails
- ✓ Park facilities
- ✓ New apartment buildings in Brillion
- ✓ And photos from downtown Brillion and other picturesque classic downtown's from around Wisconsin with great curb appeal through the use of coordinated lighting fixtures, awnings, signage, and planters.

Photos not taken, but suggested by the committee included: senior housing in Brillion and a mini-bus to provide on-call transportation.

At the end of the meeting, committee members were given the opportunity to vote for the photos which they felt best represented each vision statement.

HOW WILL THE PHOTOS BE USED?

Several of the photographs will be posted on this web page in the next few weeks along with the draft vision statements. They will also be presented at the planning mid-course meeting early next year. In addition, the photos will be used extensively throughout the final plan to illustrate key concepts and ideas.

For additional information on the planning program, please contact any committee member or, Bill Elman or Amy Emery of OMNNI at 1-800-571-6677.
