

## VILLAGE IN THE MEADOWS WEEKLY UPDATE

July 29, 2009

- A. Work completed the week of 7/22 – 7/28:
  - 1) Concrete driveways were constructed on Spicewood Lane, Country Run Drive and Twin Willows Drive. Concrete driveway construction was started Whitney Drive.
  - 2) Concrete Curb and Gutter was placed on Country Run Drive.
  - 3) Fill material has been placed behind the curb and gutter in most areas east of Mud Creek.
- B. Work to be completed the week of 7/22 - 7/28:
  - 1) Curb and gutter and concrete driveways will be placed on Whitney Drive.
  - 2) The contractor will complete with the excavation of Whitney Drive. Stone will be placed as the excavation progresses to the north. This will end all roadway excavation work in the Village in the Meadows.
  - 3) Restoration of the terraces may begin on the west side of Mud Creek.
  - 4) Asphaltic Pavement may be placed on Twin Willows Drive Country Run Drive and Spicewood Lane after the stone is brought to grade. Asphalt driveways may also be placed during the process of placing the asphaltic pavement on the road.
