Phone: 920-749-3360

Fax: 920-749-3384

TO ALL THE VILLAGE IN THE MEADOWS RESIDENTS:

Urbanization construction has begun in your subdivision. Your street will be open to local traffic only. Please be advised, there will be no parking on your road during construction. We need to keep the road clear at all times for equipment.

Effective on Wednesday, April 29, 2009, mail delivery will start at the temporary mailboxes.

Twin Willows Drive mailboxes will be located at the corner of Whitney Drive and Twin Willows Drive.

Residents on Longwood Lane, Oakdale Lane and Windsong Lane will have their mailboxes located on the North end of their streets.

All other streets will continue with their normal delivery, until further notice.

Emergency access to your property will be available at all times. Should you require any special assistance due to disability or handicap, please contact John Carpenter at (920) 749-3360 ext. 3012 or (920) 378-4636 and we will instruct our people to provide all possible assistance.

A weekly update will be posted on the Town of Grand Chute website and OMNNI Associates website.

We would like to thank you in advance for your cooperation.

Respectfully,

MCC, Inc.

John E. Carpenter
