

What Do Taycheedah Residents Value?

During the “Kick-Off” meeting held November 15th at Taycheedah Town Hall, participants were asked to identify the values that influence people to remain, take pride in, and become actively involved in the community. These value statements will help provide a direction for implementation of the *Town of Taycheedah Comprehensive Plan*. Furthermore, these values clearly indicate that residents share a strong sense of community identity and pride that is closely associated with the rural character and natural areas that make Taycheedah a desirable place to live. The numbers in parenthesis indicate the occurrence of the specific comments.
