

What Will the Village of Black Creek Look like in 20 Years?

Thursday, June 12, 2003 – Answering that question was the focus of the second Village Smart Growth Planning Meeting.

The Plan Commission and residents were invited to participate in this meeting to provide their ideas about what the Village of Black Creek will be like in the year 2025. To facilitate discussion, a handout was distributed by OMNNI Associates, the Village's consultant, which asked participants to imagine it was the year 2025 and complete a series of statements about what the Village would look like. These partial statements included:

1. Residents of the Village take great pride in ...
2. Retired and senior residents who grew up in the area ...
3. Attractive and desirable housing in the Village of Black Creek can be described as...
4. The Village of Black Creek provides the following services for residents ...

9. Downtown Commercial development in the Village includes...
10. Assuming a STH 47 bypass is developed, what do you foresee existing along the bypass in 2025?
11. Industrial development in the Village includes.... and is located
12. On average, residents travel _____ miles one way, from home to get to work each day.
13. The Town and the Village of Black Creek work harmoniously to...
14. Looking down at the Village of Black Creek from an airplane a resident would see ...
15. The *Multi-Jurisdictional Black Creek Comprehensive Plan* was ...

For each statement, participants shared their ideas, which were collected by OMNNI. The answers will be used to draft 20-Year vision statements for the area. The draft visions will be presented at the next Smart Growth Meeting.

The next Smart Growth Meeting is scheduled for Tuesday, July 1, 2003. This meeting will be the first meeting **held jointly with the Town**. The Meeting will be at the **Town of Black Creek Hall**. Residents are encouraged to attend any meeting to learn more about the plan and to share ideas and concerns.
