

2003 PLANNING ACTIVITIES

February 2003 – Economic Development

The Town of Center Planning Commission will focus on economic development opportunities in the Town during this month's meeting. OMNNI Associates will present a DRAFT of the Economic Development Element. Local business owners will be mailed an invitation to participate in this meeting. Their participation is important to help define the Town's future economic development agenda.

March 2003 – Mid-Course Meeting

In March, the planning effort will reach its halfway point. To celebrate this event, the Planning Commission will host a special Mid-Course Meeting. At the meeting, OMNNI Associates will summarize the planning activities that have been completed to date and those things yet to be done. Copies of the DRAFT Plan Maps will be on display for resident feedback. In addition, a special mapping activity will be part of the meeting. This activity will give every participant the chance to develop a Future Land Use Map for the Town. All residents are encouraged to attend this special event.

April 2003 – Working Meeting

The Planning Commission will meet this month to review the Draft Chapters presented since the beginning of the year. This working meeting is necessary to ensure that the chapters accurately reflect local concerns and desires.

May 2003 – Land Use Element

Work will continue this month on the Land Use Element. At this meeting, OMNNI will present the DRAFT Existing Land Use Chapter (including zoning). OMNNI will also present the results of the Cognitive Mapping Exercise.

**The Planning Commission meets on the
fourth Thursday of every month.**

All Residents are encouraged to these meetings.
