

## **Plan Commission Hosts Public Hearing**

**Thursday, July 29, 2004** – The Plan Commission hosted a Public Hearing on the Draft Smart Growth Comprehensive Plan this evening at the Town Hall. Amy Emery and Bob Stadel of OMNNI Associates (Town Planning Consultant) gave a 30-minute presentation to summarize the plan document, planning program, and survey comments received. After the presentation, residents had the opportunity to offer comments and ask questions.

Dennis Bushke (Plan Commission Chair), Amy Emery and Bob Stadel responded to the questions raised. Approximately 40 people were in attendance. The Plan Commission agreed that it will spend time over the next couple of months meeting to review the draft plan and considering changes related to the amount of residential land identified on the plan map and implementation tools like a subdivision ordinance.

Residents are welcome to attend any Plan Commission meetings. The Plan Commission meets on the 4<sup>th</sup> Thursday of each month at 7:00 pm at the Town Hall.
