

Committee Reviews Land Use Element Text

On **Thursday, December 19, at 5:00 p.m.**, the Town of Oshkosh Comprehensive Planning Advisory Committee convened. The Committee met at an earlier time this month to accommodate a schedule conflict for several members of the Committee who also attend the Winnebago County Comprehensive Planning Meetings.

The purpose of this month's Town of Oshkosh Planning Advisory Committee meeting was to:

- 1) Review and finalize the DRAFT Existing Land Use Chapter and Map; and
- 2) Review and finalize the DRAFT Future Land Use Chapter

The Planning Advisory Committee had hoped to also have time to review the DRAFT Future Land Use Maps, but time was not available to do this.

OMNNI Associates helped to facilitate the meeting. Kristi Bales, Principal Planner for the City of Oshkosh, attended on behalf of the City.

Updated copies of the Existing Land Use and Future Land Use Chapters have been posted to this web page to reflect the committee comments.
