In continuing the effort started last year, the group wants to work on an event for GIS Day 2009, to be held Wednesday, November 18, 2009. We will be researching location ideas (again at Appleton H.S., or new location – UW-O, UW-Fox Valley was also discussed). We will collect information and make a final decision at the June Meeting.

TOPIC	LINKEDIN	JAY YEARWOOD

Wisconsin GIS has invaded LinkedIn. In an effort to set up a means of communication between City/Town GIS users, Peter Miller of West Bend has created a Municipal GIS Group on LinkedIn. Many users have created new accounts and joined this group. In addition, Brad Bastion has created a group for the Fox Valley GIS Users Group.
